

Ad Campaign Launch SOP

Ad Campaign Launch SOP

Owner: Paid Media Lead

Trigger: A new paid campaign is approved and ready to launch

Key tools used in this SOP:

ClickUp —  Campaign Briefs,  Active Projects & Tasks

Revital Hub — Content Strategy Builder, Competitor Analysis, Copywriting Assistant

✓ QC Checklist doc — Universal (Section 1) + Paid Ad Creative (Section 3) before launch

 Client Communication Policy — channel guide for notifying client of launch

Pre-Launch Steps

1. Strategy Review (Hub)

- Log in to the Hub at hub.revitalproductions.com using your @revitalproductions.com email
- Open the client's profile and review the **Content Strategy Builder** — confirm campaign objective, target audience, platform strategy, and KPIs align with the approved strategy
- Review the **Competitor Analysis** — ensure ad creative and messaging is differentiated from what competitors are running

2. QC Review

- Open the ✓ **QC Checklist** doc in the SOPs & Internal Processes folder
 - Run the **Universal QC Checklist** (Section 1) on all ad creatives
 - Run the **Paid Ad Creative QC Checklist** (Section 3) — check all platform specs, copy character limits, landing page match, pixel firing, and UTM parameters
 - Confirm all ad creative is in **Approved** status in ClickUp
 - Log QC completion in the campaign task comments before launch
-

Launch Checklist

Before Building the Campaign:

- ☐ Logged into Hub with @revitalproductions.com email

- ☐ Campaign brief approved in  Campaign Briefs in ClickUp
- ☐ Content Strategy Builder reviewed — objective and audience confirmed
- ☐ Competitor Analysis reviewed — messaging is differentiated
- ☐ QC Checklist Section 1 + Section 3 completed and logged in task comments
- ☐ Ad creative in Approved status in ClickUp
- ☐ Budget, objective, and flight dates confirmed in writing from client

Campaign Setup:

- ☐ Correct campaign objective selected (Awareness / Traffic / Leads / Conversions)
- ☐ Target audience defined and saved
- ☐ Ad sets organized by audience or placement
- ☐ All ad copy proofread — headlines, primary text, CTA
- ☐ All URLs tested and UTM parameters added
- ☐ Pixel / conversion tracking confirmed active and firing correctly
- ☐ Budget set correctly — daily vs. lifetime
- ☐ Start and end dates set correctly

Before Going Live:

- ☐ Campaign reviewed by account manager
- ☐ Client has given written approval on creative and copy — not verbal only
- ☐ All ads set to active — none left in Draft or Paused by mistake
- ☐ Confirmation screenshots taken and filed in client's  Assets & Brand Files

After Launch (Day 1-3):

- ☐ Check ads are delivering across all active ad sets
- ☐ Monitor for any policy flags or disapprovals
- ☐ Log launch confirmation in client's task in  Active Projects & Tasks in ClickUp
- ☐ Notify client campaign is live — use the correct channel per the **Client Communication Policy** (email to account manager, not portal)
